

A Village for Every Child

Belconnen

The Improved TRANSITIONS TO SCHOOL PROJECT

aims to improve transitions for children and families so that they feel confident, happy, connected, and have the tools they need to thrive. This also means that schools can be as prepared as possible for new children when they start. We are doing this by providing key information and connecting Schools, and Early Childhood Education and Care (ECEC) Centres.

ENROLMENT PROCESS

- ✓ information about local schools
- ✓ priority enrolment areas
- ✓ how and when to enrol in preschool or kindergarten

01

CHILD DEVELOPMENT

- ✓ information about child development
- ✓ how to support your child's physical, social, emotional, behavioural, thinking, and communication skills

02

TRANSITION ACTIVITIES

- ✓ what ECECs are doing to help your child prepare for transition
- ✓ what schools are doing to support transitions
- ✓ what families can do to support your child to start school confidently
