

Imagination Library - A Social Story

Imagination Library is when children get books.

The books will come to my house.

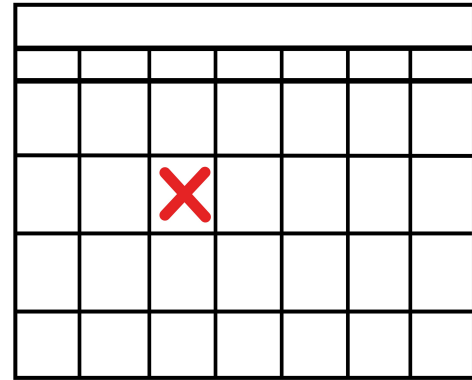

bring

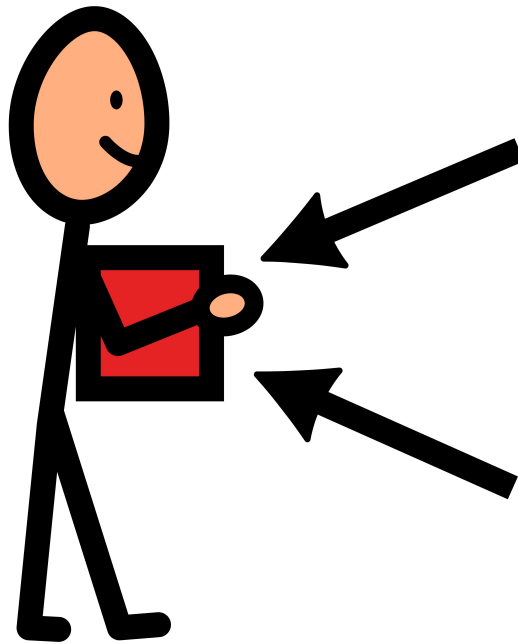

house

The mail person will bring my books to my house.

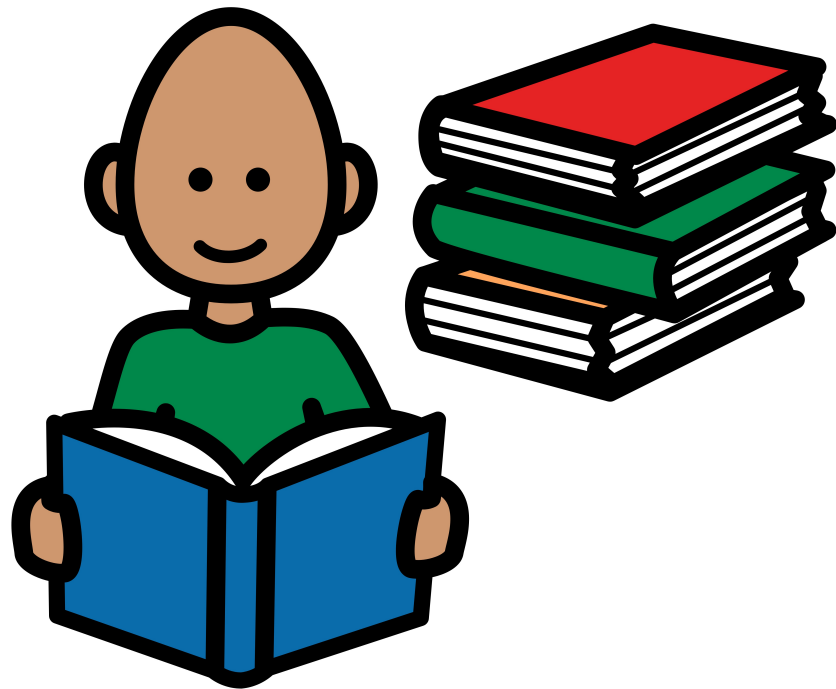

I will get one book a month.

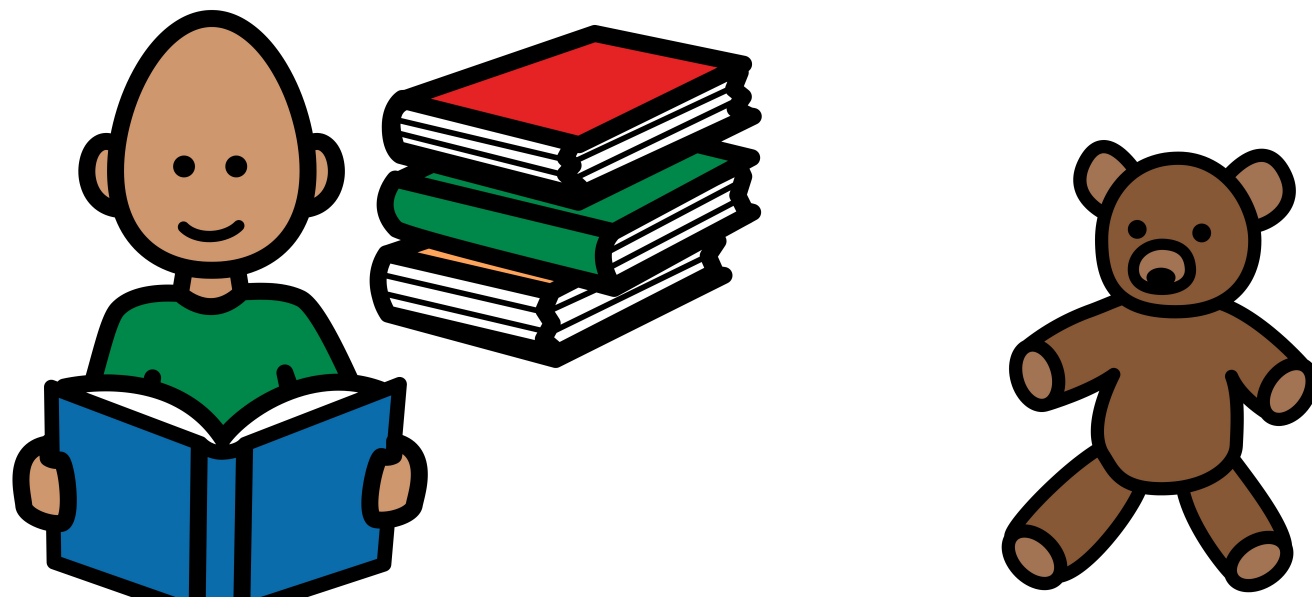

I will keep my books.

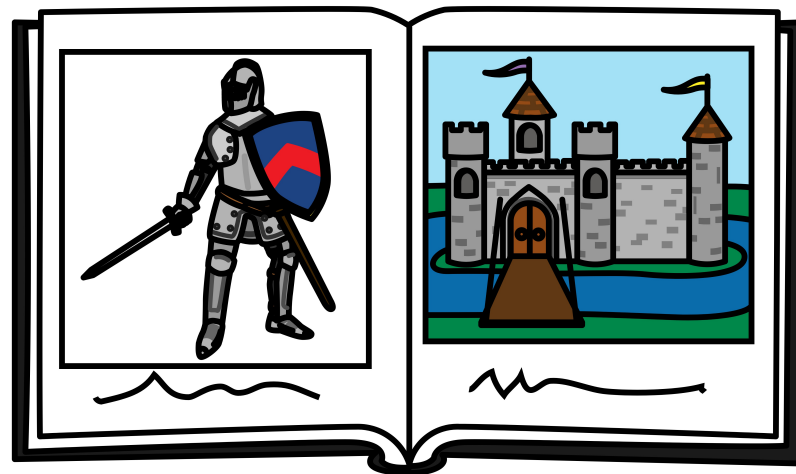

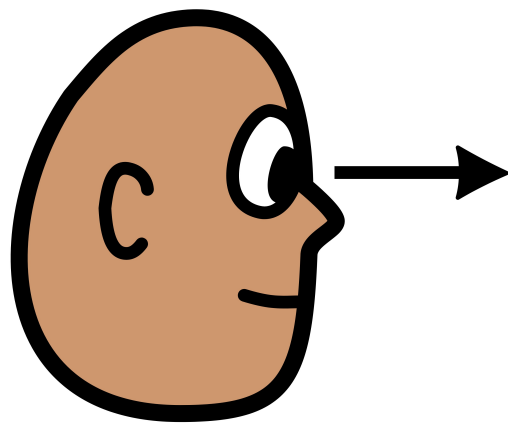

I can read my book with my adult.

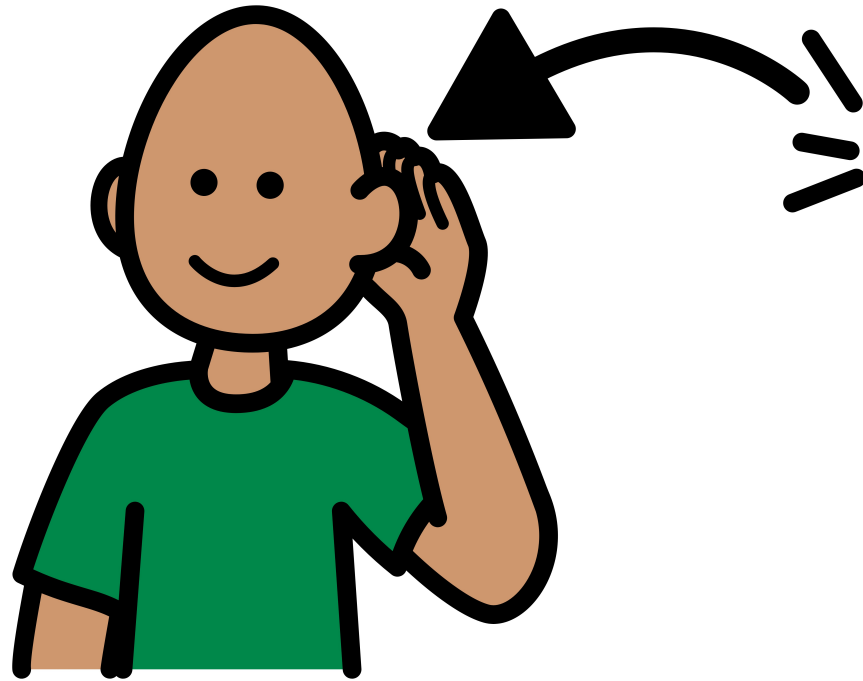

I can read my book to myself.

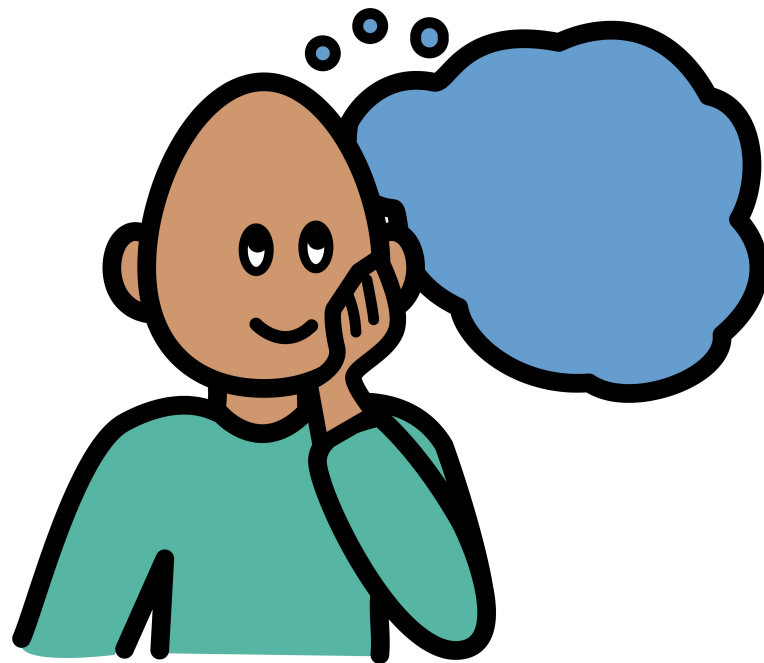

I can read my book to a toy.

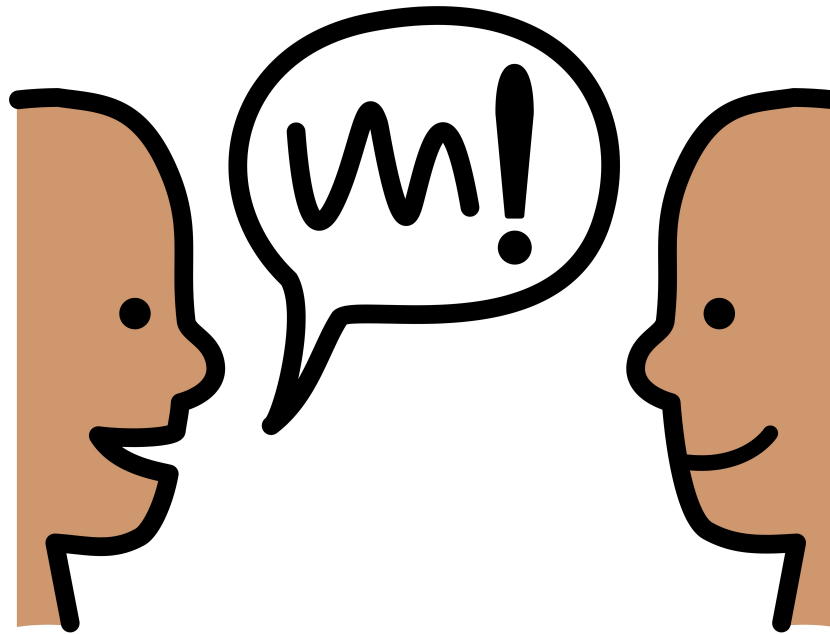

I can look at the pictures.

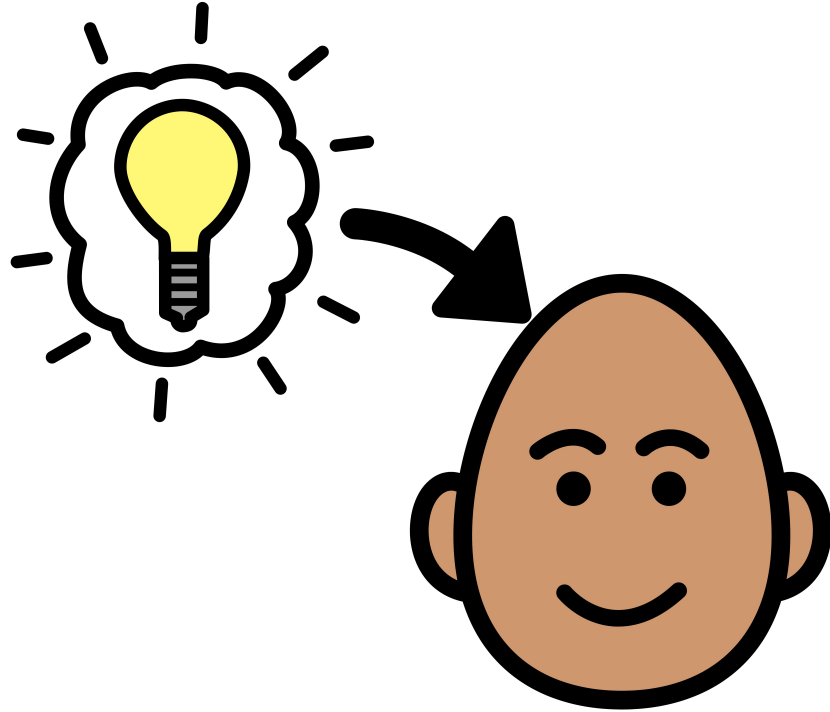

I can listen to the words.

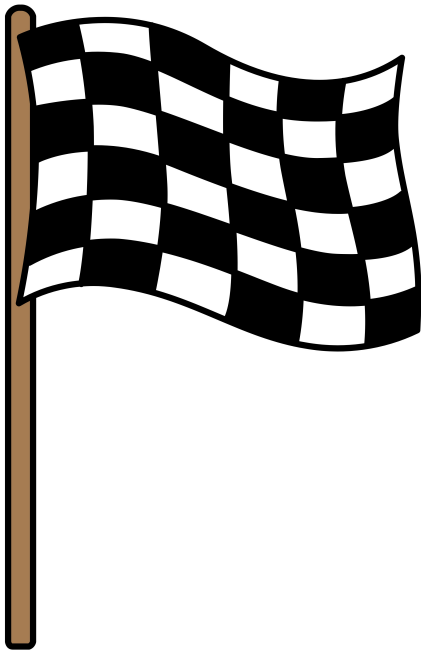

I can think about the story.

I can talk about the book with my adult.

Books help me learn and grow.

The end.
