- Fraser

Tillyard Drive Fraser  
ACT 2615

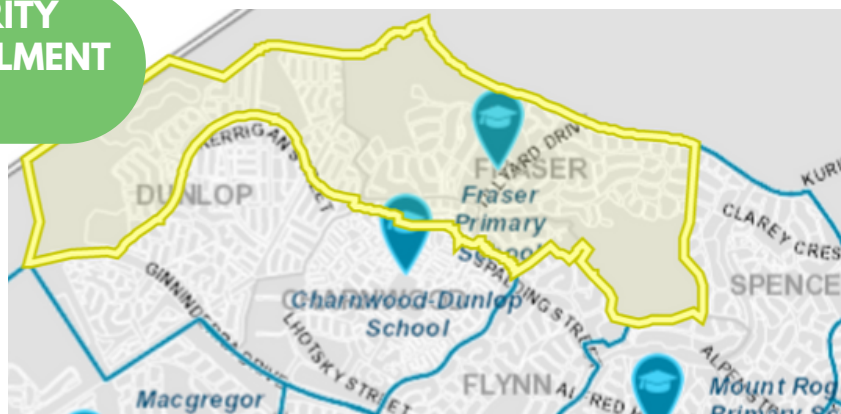

## PRINCIPAL'S MESSAGE

Fraser Primary School provides quality education for all students. We implement a relevant and innovative curriculum that develops the whole child. Students are engaged in a range of learning experiences that actively develops skills and understandings and to achieve success.

Our school values underpin a safe, friendly and supportive environment that encourages students to become lifelong learners. Fraser Primary School focuses on quality teaching and learning, with a strong emphasis on literacy and numeracy, and units of inquiry featuring significant and relevant content for life in the 21st century. Fraser prides itself on embedding technology into every classroom.

Fraser Preschool students benefit from the P-6 school environment with the majority of students transitioning to Kindergarten at Fraser Primary School. We have an effective transition program which allows all preschool students several opportunities to visit and interact with the primary school site and students before the commencement of the Kindergarten school year. **Mark Deeker, Principal**
