PRINCIPAL'S MESSAGE

Giralang Primary is a growing government school that caters for students from Preschool to Year 6. Our professional, supportive and innovative teaching team along with our highly skilled support staff, take pride in delivering excellent education in a warm and nurturing environment.

We have a strong commitment to personalised learning with a special emphasis on literacy, numeracy and science. Giralang Primary is a happy, safe and vibrant learning environment which is supported by strong community involvement. Our vision statement – Adventure in Learning, Caring and Achieving – is clearly practiced and actioned every day. We have a strong values program which encourages students to be caring, cooperative and courteous both within the school community and outside the school in the wider community. This is supported by explicit learning around social skills and emotional wellbeing.

Giralang Primary has stimulating and flexible learning spaces, incorporating technology within the heritage surrounds of the school. We provide students with the opportunity to develop their interests and abilities through programs in academics, sports, cultural and performing arts areas. **Emma Aschenberger, Principal**
