## PRINCIPAL'S MESSAGE

At Maribyrnong Primary School we have a whole child approach to learning and teaching which acknowledges and celebrates the important role that families and communities play in the education of our students.

We provide a learning program from preschool to year 6 that caters for the whole child, celebrating difference and acknowledging that all children are individuals. Our school is a safe and happy place, where children are valued and nurtured. Our bright and stimulating open plan learning environments allow collaboration between students and staff where our values and passion for lifelong learning are clearly evident. Our preschool program incorporates the Early Years Learning Framework (EYLF) and as students move into kindergarten and beyond, the Australian Curriculum is utilised to drive outcomes for teacher planning and student learning. **Andrew Buesnel, Principal**
