PRINCIPAL'S MESSAGE

Our school includes three preschools, two offsite in Flynn and Spence as well as one adjacent to our Primary School in Melba. We have high expectations for every student and are committed to the inclusion of every child and meeting students with what they need to be successful. We are focused on ensuring that every child knows they belong through fostering positive, collaborative relationships with families and the broader community. As a Professional Learning Community (PLC) school, teachers collaborate with an inquiry mindset to identify student learning needs and take collective responsibility for planning differentiated learning. Parents and community members are welcome to be involved in our school at whatever level they can, including through the School Board, P&C and Healthy Hut Canteen and volunteering in other ways.
